

## Adobe DPS Training Class

*In this Adobe Digital Publishing Suite (DPS) training course you'll learn skills that publishers need in order to create compelling digital publications. You'll understand how to create images that include pan and zoom, text with hyperlinks, and multimedia content, all of which can be distributed as single issue or multi-issue publications.*

### What you'll learn in this training course

- Creating Digital Publications with Multimedia
- Working with text and images
- Adding interactivity and hyperlinks
- Creating complete folios
- Using single issues and multi issue publications
- Creating Hyperlinks and Buttons
- Linking to content within a folio: articles and pages
- Creating a complete Folio
- Working with multiple articles in a folio
- Understanding Single Issue vs. Multi-issue

### Audience for this training course

This course is designed for publishing, marketing, and creative professionals with previous InDesign experience who need to distribute content digitally to tablets and online stores. Previous experience with InDesign is required, and participants should have an understanding of all skills covered in American Graphics Institute's InDesign - Introduction.

### Training course duration

This class is one day in length. It runs from 9:30 am- 4:30 pm. Lunch break occurs approximately at noon until 1 pm.

### Training course curriculum

This training course uses materials selected by our instructors, including content from our InDesign Digital Classroom book. These courses are delivered by the instructors that write this best-selling book.
